RELEVANT EXPERIENCE

Ecotone Analytics, Minneapolis, MN

May 2018 – present

Chief Economist

- Leading social, economic, environmental and cost analyses for boutique consultancy to develop client strategy. Work includes designing and guiding analyses, spreadsheet model development, strategy mapping, and evidence reviews as well as writing reports and supporting client engagement on social, environmental, and economic analysis projects designed to distill outcomes and opportunities for client businesses, non-profit service providers, impact investors and foundations.
- Services provided include application and development of industry-aligned frameworks (e.g. TCFD, CDP, SASB, GRI, etc.) for consulting on social and environmental risk assessment and strategy development, impact measurement and management, cost-benefit analysis, advisory services on investment strategy, and external communications with data visualization.

World Bank Group, Washington, DC

March 2016 – November 2021

Business Environment and Investment Climate Consultant

- Assessing public policy levers to support business practices that sustainably and equitably engage those living in the ‘base of the economic pyramid’
- Analyzing forms of business informality and interventions to support formalization to generate equitable economic outcomes
- Building trust between public and private sectors through behavioral insights
- Empowering displaced/refugee investors through public policy that support investment
- Conducting diagnostics and recommendations on preferential public procurement policies for multiple countries to support small and medium size enterprises
- Assessing the use of technology in public-private dialogue to generate equitable economic outcomes

Good Earth Pakistan, Minneapolis, MN / Khanewal, Pakistan

November 2016 – April 2022

Business Development (part-time)

- Supported business plan and pitch deck development, as well as fundraising efforts for an Agri-Tech start-up in rural Pakistan that works with small-scale farmers.
- Managed mobile data collection, impact research, website and e-commerce development, and online marketing efforts.

The Democracy Lab, Minneapolis, MN / San Jose, Costa Rica

February 2015 – present

Co-founder, Research Fellow and Advisor (part-time)

- Conducting research and analysis for Central American think tank on sustainable business and development theories, impact investing strategy in Central America, CSR strategy for multinational corporations, and Base of the Economic Pyramid (BOP) business opportunities designed to support social development goals.

Third Sector Capital Partners, Inc., San Francisco, CA

November 2015 – February 2016
